ABOUT ME

Residential Architectural Designer & Project Manager, with 9 years experience in firms. Specialty in luxury residential & conceptual design. Currently, halfway through ARE Licensure Exams. My passion is intelligent & sustainable design. I love to learn and challenge myself physically & mentally; whether it be outdoor activities, art or over-complicated board games with friends. Skills that translate to my abilities in problem solving, my eye for design and interpersonal abilities, all which support successful projects at any firm.
